- A. The Provision of Goods and Services to Persons with Disabilities
- B. The Use of Assistive Devices
- C. The Use of Guide Dogs, Service Animals and Service Dogs
- D. The Use of Support Persons
- E. Notice of Service Disruptions
- F. Customer Feedback
- G. Training
- H. Notice of Availability and Format of Required Documents

A. The Provision of Goods and Services to Persons with Disabilities

Bayview Wildwood Resort will make every reasonable effort to ensure that its policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity by:

- ensuring that all guests receive the same value and quality;

- allowing guests with disabilities to do things in their own ways, at their own pace when accessing goods and services as long as this does not present a safety risk;
- using alternative methods when possible to ensure that guests with disabilities have access to the same services, in the same place and in a similar manner;
- taking into account individual needs when providing goods and services; and
- communicating in a manner that takes into account the guest's disability.

B. Assistive Devices

Guest's own assistive device(s):

Persons with disabilities may use their own assistive devices as required when accessing goods or services provided by Bayview Wildwood Resort.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other measures will be used to ensure the access of goods and services.

For example, open flames and oxygen tanks cannot be near one another. Therefore, the accommodation of a guest with an oxygen tank may involve extinguishing candles and ensuring the guest is seated in a location that would be considered safe for both the guest and other patrons. Or, as elevators are not present and a guest requires assistive devices for the purposes of mobility, Bayview Wildwood Resort will make every reasonable effort to provide Hotel/ Motel rooms that are easily accessible.

Assistive devices provided by Bayview Wildwood Resort:

The following assistive devices are available, on a first come first serve basis and upon request, to assist guests in accessing our goods and services:

- Anti-Slip Rubber Mats
- Wheelchair
- Wheelchair Ramp

C. Guide Dogs, Service Animals and Service Dogs

A guest with a disability that is accompanied by a guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. "No pet" policies do not apply to guide dogs, service animals and/or service dogs.

Food Service Areas:

A guest with a disability that is accompanied by a guide dog or service dog will be allowed access to food service areas that are open to the public unless otherwise excluded by law.

Other types of service animals are not permitted into food service areas due to the Health Protection and Promotion Act, Ontario Regulation 562.

Exclusion Guidelines:

If a guide dog, service animal or service dog is excluded by law (see applicable laws below) Bayview Wildwood Resort will offer alternative methods to enable the person with a disability to access goods and services, when possible (for example, securing the animal in a safe location and offering the guidance of an employee).

Applicable Laws:

The Health Protection and Promotion Act, Ontario Regulation 562 Section 60, normally does not allow animals in places where food is manufactured, prepared, processed, handled, served, displayed, stored, sold or offered for sale. It does allow guide dogs and service dogs to go into places where food is served, sold or offered for sale. However, other types of service animals are not included in this exception.

Dog Owners' Liability Act, Ontario: If there is a conflict between a provision of this Act or of a regulation under this or any other Act relating to banned breeds (such as pitbulls) and a provision of a by-law passed by a municipality relating to these breeds, the provision that is more restrictive in relation to controls or bans on these breeds prevails.

Recognizing a Guide Dog, Service Dog and/or Service Animal:

If it is not readily apparent that the animal is being used by the guest for reasons relating to his or her disability, Bayview Wildwood Resort may request verification from the guest.

Verification may include:

- a letter from a physician or nurse confirming that the person requires the animal for reasons related to the disability;
- a valid identification card signed by the Attorney General of Ontario; or,
- a certificate of training from a recognized guide dog or service animal training school.

Care and Control of the Animal:

The guest that is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

Allergies:

If a health and safety concern presents itself, for example in the form of a severe allergy to the animal, Bayview Wildwood Resort will make all reasonable efforts to meet the needs of all individuals.

D. Support Persons

If a guest with a disability is accompanied by a support person, Bayview Wildwood Resort will ensure that both persons are allowed to enter the premises together and that the guest is not prevented from having access to the support person.

In situations where confidential information might be discussed, consent will be obtained from the guest, prior to any conversation where confidential information might be discussed.

Admission Fees:

A 10% discount off regular rates will be given for support persons for any resort packages offered by Bayview Wildwood Resort. This discount is not applicable with any other discounts. Guests will be informed of this when reserving a package with the resort and on their resort package confirmation. This information will also be posted on Bayview Wildwood Resort's website.

In the event of any temporary disruptions to facilities or services that guests with disabilities rely on to access or use Bayview Wildwood Resort's goods or services, reasonable efforts will be made to provide advanced notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.
